**Undefeated, untied, un-scored on. Record: 4-0-0.

The Highspire High Tigers out-scored their opponents 3,617 – 3,077.

NOTE:

From the early part of the century through the 1920s Highspire High only went as high as the 10th grade.

Many Highspire students paid tuition and went to Steelton High to complete their secondary education.

Consequently, some Highspire High athletes played on Steelton High athletic teams. With the eventual merger of Steelton High School and Highspire High School in 1957, there is little difference between today's Steamroller teams and the Steamroller teams of yesteryear.
